

## Sirius Earth Hearts & Strips

Heart Approx. .0025 oz.  
1mm thick  
Adhesive Backing

### Description

The ZeroPoint™ Sirius Earth Heart or Strip is an adhesive “sticker” with proprietary frequencies embedded into fine crystals and plant matter that are adhered onto it. These frequencies protect the body from harmful EMF (Electromagnetic Field) frequencies and bring the body into balance and energetic homeostasis.

### Benefits

- Protects the body from exposure to EMF frequencies from items such as cell phones, hair dryers, laptops, microwave ovens, etc.
- Transforms harmful EMF frequencies into beneficial frequencies for the body.
- Contains Blueprint frequencies that bring the body into balance and energetic homeostasis.
- Sirius Earth Hearts can be applied to smaller items with lower EMF frequencies, while Sirius Earth Strips can be applied to larger items or items with higher EMF frequencies.
- As few as four Sirius Earth Strips can be applied to the electrical box to protect an entire house and may possibly lower your electric bill.

### Suggested Uses

The following are the suggested amounts of Sirius Earth Hearts or Sirius Earth Strips to fully benefit from their use. This product has not been evaluated by the FDA and is not intended to treat disease, support human life, or to prevent impairment of human health; for frequency, self-education and research purposes only. Please seek professional help with health issues.

As new and stronger technology products are added to our environment (tablets, notebooks, “Kindles”, “Nooks”, etc.), additional Sirius Earth Hearts and/or Strips may be needed to transmute the negative EMF frequencies into beneficial ones for our body.

### Application

This is the way we recommend to apply all Earth Hearts and Strips so they can be easily reused! Instead of peeling them off the backing and applying them to the device of your choice, we at ZeroPoint suggest that you cut them out of the backing, then put the Earth Heart face down on clear packing tape and then stick the tape with the Heart or Strip onto whatever device you wish. That way, when the device “dies” and needs to be replaced, you can just peel off the tape and put the same Earth Heart or Strip onto the new device without any damage to them. Awesome tip!

### How Frequencies Benefit the Human Body

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. ZeroPoint™ has identified specific frequencies that match the optimum state of health for each of the body’s organs and systems. These are called Blueprint Frequencies.

When a person uses a ZeroPoint™ Sirius Earth Heart and Strips, their body begins to ‘resonate with the frequencies’ that are in the Hearts and Strips. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity. When they are close to one another, they will both begin to ‘resonate at the same frequency’.

When the organs and systems of the body are attuned with the frequencies that are in the Hearts and Strips, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.

## Testimonials

*"Over the last 10 years or so, I noticed that on the bone behind my ears as well as other areas of my skull felt like they were bruised when I touched them, and I was getting terrible headaches periodically. The pain to the touch had gotten to the point that it was always there. It didn't occur to me that it was from my cell phone, but I did purchase a cell phone protection device. A year later, the pain was still there with the same intensity. Last year, I put the ZeroPoint Sirius Earth Heart on my phone, and I noticed that the pain was completely gone, my headaches were gone, and several months later, they still have not returned!" - Lisa L., FL*

*"I got the Sirius Earth Strips in the mail on March 26, 2014 and right away stuck them in the breaker box of my house for EMF protection. Then something amazing happened. When we got our electric bill for the next billing cycle, we had saved over 50%. Our bill for February 11 - March 13 (before using the Strips) was \$108.10. The bill for March 13 - April 14 (after using the Strips) was \$47.87. Thank you ZeroPoint for making products that allow us to live in this technological world and offset some of the negative affects of that technology and also save money." - Sharon C., CA*

*"For years, whenever I talked on my cell phone for more than 30 minutes, my ear would get hot and I would keep switching sides. I didn't realize until I placed a Sirius Earth Heart on my phone that it is not supposed to do that! The heat was from the EMF radiation, and now I can talk for hours on my cell phone with no 'hot ear'! I have also placed 2 Sirius Earth Hearts on my laptop. I spend several hours most days working on the computer, and while I used to feel fatigued and have sore shoulders most days, now I do not. Thank you!" - Lorraine E., ME*
