

A Sirius Silver

- Approximately 2 oz. , 4 oz. with Sprayer or 16 oz.

Description

A Sirius Silver is distilled water with silver (Ag) in suspension at .5 ppm. to 1.5 ppm. The actual silver content is in the form of ultra nano-particles. The remaining silver is introduced in vibrational form by embedding silver frequencies into the solution. Though similar to colloidal silver, in effect, ultra nano-particles are too small to be considered in a “colloidal” suspension. They are rather, in a “nano-suspension” – a much more stable state. The vibrational silver frequencies do not add actual silver to the solution, only the benefits which amplify the effectiveness of A Sirius Silver in the body above that of common silver products, without any of the harmful side effects.

Combining ultra small particle size with vibrational silver frequencies results in a silver solution which is without peer. From the standpoint of penetration into capillaries, cells, pathogens and body tissues, A Sirius Silver is much more effective than common silver products on the market.

With less than 100-200 mcg in an entire bottle, A Sirius Silver usage is well under the amount referenced by the EPA for public water supplies in the United States. Users can feel as secure with the daily use of A Sirius Silver as they are with EPA approved drinking water. The properties of A Sirius Silver completely put to rest any concern with Argyria or other perceived toxicity concerns.

Only in the last few years has nano-technology begun to evolve into a valuable science. Likewise, only in the last few years has the technology existed to infuse vibrational frequencies into a cutting-edge silver infusion. For optimum function of body immunity, everyone needs A Sirius Silver.

How Frequencies Benefit the Human Body

It has been discovered that the cells in the body vibrate at various frequencies depending on their state of health. ZeroPoint™ has identified specific frequencies that match the optimum state of health for each of the body's organs and systems. These are called Blueprint Frequencies.

When a person ingests or applies A Sirius Silver, their body begins to 'resonate with the frequencies' that are in the Sirius Silver through a process called Biophotonic Entrainment. This is similar to a tuning fork that will pick up the frequency (sound) of another tuning fork in its vicinity. When they are close to one another, they will both begin to 'resonate at the same frequency'.

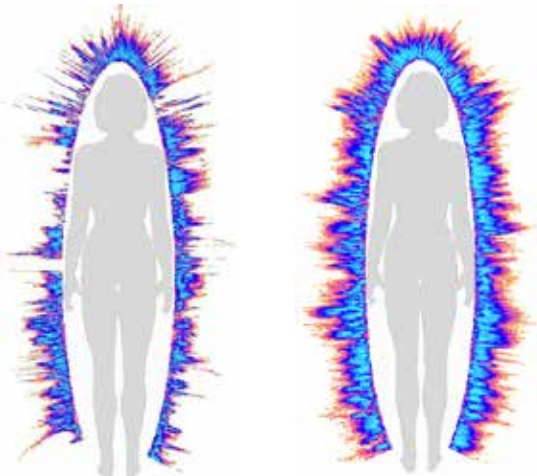

When the organs and systems of the body are attuned with the frequencies that are in the A Sirius Silver, the body returns to a balanced state. The body is able to protect and heal itself when it is in balance.

Testimonials

"I was really tired and was sneezing. I realized I had a virus, I took a ½ oz of A Sirius Silver and nothing else. It cleared my head, and I felt much better. Later in the evening I started to feel not so great again and took another ½ oz of Silver & went ahead and took my usual vitamin at bedtime. I woke up this morning and just felt great. I was really impressed by how quickly it worked." - Pat, Canada

"I love A Sirius Silver! I feel like a changed person, and my focus and thought patterns are clearer. Also, I am releasing weight effortlessly!" - Lynne O., PA

"I went to bed the night before last and noticed a sore throat coming on, and I began sneezing repeatedly. I got up and put a dropper full of A Sirius Silver down my throat and went back to bed. I was careful to make sure that the A Sirius Silver touched the part of my throat that was hurting. My throat stopped hurting IMMEDIATELY! Yesterday morning I woke up with no symptoms whatsoever, and am still feeling well today even though I didn't have time to sleep much last night. I don't ever want to be without A Sirius Silver. I want to keep it on hand for emergencies!" - Barbara S., MD

"The last couple years when I was stung by a bee in my hand, it swelled up really bad up to my elbow. Last night I was stung by a bee again on my hand. I put a piece of garlic on it because it was a drainer, but my hand was in so much pain. I put my hand on the Frequency Disc, but the only relief I had was when I sprayed A Sirius Silver on it. So I sprayed until the pain went away and just left my hand on the Disc. The swelling never expanded to where it did 2 months earlier when I got stung. I just love A Sirius Silver." - Julia, CA
